**STIPULATION AND ORDER TO  
EXTEND DEADLINE TO FILE AND  
RESPOND TO DISPOSITIVE  
MOTIONS  
(SIXTH REQUEST)**

Defendant Titanium Metals Corporation (“Defendant”) and Plaintiff David Cosper (“Plaintiff”), by and through undersigned counsel, hereby stipulate and request that the dispositive motion deadline set forth in the current Stipulated and Order to Extend Discovery Deadlines (ECF No. 26) be extended by 2 weeks. The current deadline for dispositive motions is December 29, 2017. The parties respectfully request that the deadline for dispositive motions be moved to January 12, 2018, and any response date be extended by two weeks. All other deadlines set forth in ECF No. 26 will remain the same. This request is submitted pursuant to LR 6-1, 6-2, 7-1 and 26-4 and is the parties’ **first request** for an extension concerning only the dispositive motions, and the **sixth request** to extend deadlines pertaining to the parties scheduling order and discovery plan.

1 There is good cause for this requested extension as the parties just received a copy of  
2 Plaintiff's continued deposition transcript on December 19, 2017. In addition, Defendant  
3 requested the extension, and Plaintiff and his counsel agreed, due to the holiday schedules and last-  
4 minute changes in travel for counsel and representatives from Defendant that necessitate additional  
5 time to review and evaluate dispositive motions.

6 The parties stipulate and request that dispositive motions must now be filed on or before  
7 Friday, **January 12, 2018**, and any response is to be filed on or before 35 days after service of the  
8 summary judgment, and no later than Friday, **February 16, 2018**. For all the reasons stated above,  
9 good cause exists to extend the dispositive motion deadline in this matter.

10 DATED this 27th day of December, 2017. DATED this 27th day of December, 2017.
